1630..... End of Conference

This year there will be elections held to allow you to vote in (2 year terms):

- **President**
- **Executive Vice President**
- **Secretary**
- **Treasurer**

It is important to have strong leadership and commitment. There are many issues that we will need to deal with in the coming months and years.

Talk to each other; encourage each other to stand up and join in. These positions need to be filled to continue on. Be prepared, with nominations, during this conference.

This is your opportunity.

After the election of the executive we will have a vote on the association name change; proposed new name: Alberta Association of Medical Device Reprocessing Technicians.
