

Carol Slater: Secretary

My name is Carol Slater and I have worked at Grey Nuns hospital for 20 years. I began my career as a part-time Unit Attendant in Labour and Delivery, when my girls were young. Then in 1999 I switched over to a Unit Attendant position in the Sterile Processing Department. I really enjoyed making my rounds through all of the departments of the hospital. Working part-time made it possible for me to also work as a Youth Care Counselor and volunteer in this field as well. Janice Protasiwich encouraged me to take the IAHCMM course in January of 2008, and I now work a full-time position as a Sterile Processor. Because I understand the importance and responsibility of a Sterile Processor, I feel compelled to become further involved by participating in our Association.
